SEPTEMBER 22-23 TOURNAMENT RESULTS

SCTC held its first tournament in many years on September 22-23. 34 players in 3 divisions competed for the club mixed doubles title. It was a competitive tournament, but also designed to be fun, with a consolation draw, food, and a gift for all the players.

The **7.0 division** was the smallest, with only three teams, so a round robin format was used. **Emi Iuzuka and Hang Lee** won both of their matches, thus becoming the **7.0 champions**. Runners-up were Luzmaria Martinez and Thomas Dunham.

The **8.0 division** was the largest, with nine very competitive teams. The **8.0 champions** were **Jennifer Adams and Chetan Uttarkar**, finalists were Angie Morey and Shawn Kim, and the consolation winners were Rachel Okazaki and Craig Kanetake.

There were five strong teams in the **9.0 division**. **Fiona Wong Prudhomme and Susumu Ueno** emerged as the **9.0 champions**, Taryn Ishida and Matt Montana were the finalists, and Joy Lenz and Ray Chiu were the consolation winners.

A good time was had by all. The weather was beautiful, there were many spectators on the bleachers to cheer on the teams, and there was plenty of food, fun and laughter. The club hopes to continue to have tournaments periodically in the future, perhaps with men's and women's doubles and/or singles as well as mixed. Check out some of the photos on the club web site at http://www.sctennisclub.org/events/2012mixed/. There will be additional photos posted later on as well.

A **BIG THANK YOU** to the tournament committee, Carrie Bell, Roger Okamoto, Taryn Ishida and Helen Matsumoto, assisted by Jeanette Hoggatt, Luzmaria Martinez and Marshall Madamba.
